## Detailed submission guidelines

---

Please provide a separate document for each practice area. For each practice area, please provide the following:

### Introductory bullet points

---

Brief bullet points introducing key points about your practice. For example, mention hires and departures, tell us what you are best known for, point out a very significant case or deal. Avoid lengthy paragraphs and avoid unsubstantiated claims

### Feedback on the 2019 edition

---

Do you agree with the ratings the practice received in the editorial and ranking of the 2019 edition? Law firms are encouraged to provide brief feedback, including advising as to a suggested ranking for the forthcoming edition, based on evidence. (Please bear in mind that firms are ranked alphabetically within tiers)

### Contact details

---

Please provide contact details for the person we should contact to arrange to follow up on the submission, ie contact name, position, email address and telephone number

### NEW: Next generation lawyers

---

The rankings in The Legal 500 focus on the bench strength of the teams within law firms. Currently we highlight partners in the leading individuals lists and within the editorial. Responding to feedback from GCs, who regularly assess the quality of the associates before they look at the partners – or simply look to the team as a whole – we also include a list of Asia Pacific’s leading ‘next generation’ of partners. We encourage firms to include information about senior associates and counsel in the submission whom they feel make a material difference to the practice’s offering, and who have a strong case to be recognised by The Legal 500 as rising stars. This should include client referees and it should include credit given in the detailed work highlights. We also encourage firms to nominate women and minority lawyers for these sections.

### Team information

---

Please avoid including extensive biographies. The information required here is as follows:

- Head of team (including job title, email address, and telephone number)
- Leading individuals in team – indicate areas of expertise
- Next generation lawyers (see above) – indicate length of legal practice and areas of expertise
- Significant recent arrivals and departures
- Partners who spend more than 50% of their time working in the practice area
- Number of other partners in the team
- Number of associates/assistants in team
- Include office location of all individuals named

#### Referees (separate document)

Please provide a list of referees we can contact for feedback. All referees will be contacted by email. The list should preferably contain both longstanding referees and more recent client gains. Some junior referees can be more responsive than senior figures. 20 referees per practice area is a good minimum guideline, if possible. You may provide as many referees as you wish – we will contact all referees that are submitted on time. Late client referees will not be contacted

**Referees MUST be provided by 21 June 2019 in a separate document – please use the client referee template at: [legal500.com/assets/pages/about-us/get-involved.html](http://legal500.com/assets/pages/about-us/get-involved.html)**

For more information about how to fill in the referee spreadsheets, please read the guideline document at [legal500.com/assets/pages/about-us/get-involved.html](http://legal500.com/assets/pages/about-us/get-involved.html)

#### Detailed work highlights

**(All work referred to should fall between June 2018 and May 2019)**

Please provide details of up to 20 transactions, cases or other instructions only. These should be matters which the firm considers to be significant and which indicate the team's range of recent expertise. Try to reflect the breadth of the law firm's experience, not simply the biggest mandates. In each instance, please identify the firm's role, indicate which partner(s) led the advice and mention start/end dates. Please identify the client. You are also encouraged to elaborate briefly in order to put each transaction/case/instruction in context, rather than simply listing the matter in question. At least one matter should be cleared for publication.

You may also identify other highlights, for example new client gains or panel appointments. Also useful are any hard facts that can be provided to put the practice in context; for example, for transactional practice areas, consideration will be given to the total number of deals handled and the aggregate deal value for the year

The focus of the research is on recent work. If you think older work is significant – or would help us better to understand the practice – then please do mention it and explain why it is of interest

**Tip: If submitting in an area for the first time, it is recommended that you include several examples from the previous two years, as well as at least 10 new examples of work.**

#### Active clients

---

Providing a list of active key clients or panel appointments is a quick way to convey much useful information. **Identify new clients and indicate length of longstanding client relationships**

#### Barristers

---

We welcome any feedback on The English Bar practising in Asia that you have either used or been on the other side of. Please email any feedback separately, to [editorial@legal500.com](mailto:editorial@legal500.com), with the subject lines:
