Detailed work highlights

(All work referred to should fall between 1 February 2017 and 31 January 2018)

We request a submission for each practice area in which the firm considers itself to have a significant or leading practice. We do not provide a template for the submission document and would rather you felt free to represent your firm to The Legal 500 as you see fit. Ideally, we suggest you include the following:

- a. Details of five to 10 significant transactions, cases or mandates handled during the last twelve months. Please include information regarding the size or scope of the deal, date of commencement/closure, its complexity, and any other relevant issues (eg. restricted time-scale). Any other details that will further our understanding of the nature and sophistication of the work that the department is undertaking will also be welcomed. If the case or transaction involved a counterpart, please identify them. An indication of the volume (/number) of such matters handled by the department (and/or aggregate deal value) is also useful.
- b. Details of significant non-transactional activity undertaken by the department (day-to-day advisory, preventative work, etc), along with any new clients or panel appointments.
- c. As noted previously, be sure to mark deals, aspects of deals (such as value) or client names **CONFIDENTIAL** as required.
- d. A list of active key clients – again, marked **CONFIDENTIAL** as necessary. (Note: client contacts are dealt with on the preceding page).
- e. Our research focuses primarily upon work undertaken during the last year. However, if there are older matters – for example, a 'leading case' – which you regard as significant for our understanding of the firm's profile and position in a given sector, or that would further our comprehension of the department's abilities, please identify them and explain their relevance.
- f. Any additional information that you regard as illustrating what distinguishes your firm from others in the market.

Team information

Please identify:

- Head of team (including job title, email address, and telephone number)
- Partners who spend more than 50% of their time working in the practice area
- Number of other partners in the team
- Number of associates/assistants in team
- Significant recent arrivals and departures
- Office location of all individuals named
- New partner promotions and partner/counsel hires (with date of promotion/arrival, and previous firm if applicable)

NEW: Next generation lawyers

The rankings in The Legal 500 focus on the bench strength of the teams within law firms. Currently we highlight partners in the leading individuals lists and within the editorial. Responding to feedback from general counsel, who regularly assess the quality of the associates before they look at the partners – or simply look to the team as a whole – going forward we will be including a list of Latin America's leading 'next generation' of talented younger partners or non-partners. We actively encourage firms to include information about associates and counsel in the submission whom they feel make a material difference to the practice's offering, and who have a strong case to be recognised by The Legal 500. This should include client referees and it should include credit given in the detailed work highlights.
