THE FIRM

The firm is known for its expertise in trademark and patent related prosecution and litigation, providing a full range of services for clients in every field of business from every geographic region of the world.

Since the establishment of the firm, the prosecution team has been organized and has developed steadily. And, with the tailored and workable system and the complete internal training strategy, the team is quick in giving feedback, efficient in completing tasks and stable in quality.

With the centralized managing system, the firm's litigation team can provide complete and economic solutions for its clients. It specialises within this field and has a self-established enforcement team which is well trained and provides great support in all litigation matters.

Therefore, under the centralized management, the three teams work together to make the firm a real one-stop IP service provider.

INTELLECTUAL PROPERTY: PRC FIRMS

Tier 3

“*‘One of the leading specialist IP law firms’, **An, Tian, Zhang & Partners** handles a plethora of trade mark filings, oppositions, invalidations, and cancellations each year. The practice is also active in patent work, along with copyright, trade secrets, customs actions, domain names, and enforcement matters. The firm additionally maintains robust IP-related administrative and civil litigation practices. Experienced litigator David Tian leads the group, which includes Young Guo, who acts in life sciences and chemistry-related patent prosecution, enforcement and IP litigation matters; and patent and trade mark practitioner Ruifeng Li, who advises on Chinese IP laws, court practices and government policy.*
