THE FIRM

Kadir Andri & Partners (KAAP) was established under the name Kadir Kassim & Co. in 1976. Since its inception, KAAP has established itself as a premier legal firm of stellar reputation in Malaysia and abroad. KAAP has acted on some of the most prominent and complex transactions in Malaysia and is recognised for its ability to deliver innovative legal solutions. The firm consistently ranks in the top brackets of various industry surveys.

Each practice group is led by accomplished partners who have distinguished themselves in their particular fields of expertise and have the specialist legal skills, industry experience and regional know-how to deliver commercially astute and practical solutions. KAAP's clients, which include government entities, sovereign wealth funds, financial institutions, investment funds, multinationals, and companies of all sizes across a diverse range of industries in and outside Malaysia, value the firm's ethics, enterprise and energy as a trusted advisor.

AREAS OF PRACTICE

KAAP specialises in the following areas of practice: corporate and M&A, capital markets, banking and finance, energy, infrastructure and utilities and corporate and debt restructuring.

With respect to its corporate and M&A practice, KAAP has advised on many transactions encompassing a wide range of structures and techniques, including acquisitions of companies and businesses, takeover offers, demergers, schemes of arrangement and selective capital reduction exercises. The firm has considerable experience in the privatisation of public companies by way of innovative legal structures.

The capital markets practice has garnered many accolades in the marketplace for its notable work on public and private securities offerings, initial public offerings, Rule 144A and Regulation S offerings, Sukuk issuances and other private debt securities.

KAAP offers a full range of legal services in banking and finance, and has considerable experience in the structuring and documentation of a variety of financing transactions, both conventional and Shariah compliant. The firm is regularly engaged in transactions relating to structured finance, securitisation, leveraged buy-outs, syndicated financing and acquisition financing. The firm has also advised on complex and innovative deals especially those involving Shariah compliant structures. In addition the firm is actively involved in project financing having advised on the financing of large infrastructure and utility projects such as highways as well as power projects.

KAAP has considerable experience in the area of concessions, public-private initiatives, projects and construction work and is also very well versed with the oil and gas sector having advised on various matters related to production sharing agreements, offshore drilling contracts, mining and prospecting contracts. In the utilities sector, the firm has extensive experience in many subsectors including water, energy and waste water.
