THE FIRM

LexField is an independent business law firm with a strong experience in Luxembourg dating back to 2009. The firm advises multinationals, private equity firms, financial institutions, start-ups, entrepreneurs and high-net-worth individuals on all fields of business law, covering legal, tax and regulatory aspects, with a particular focus on private equity, private wealth, investment funds and M&A.

Over the years, LexField has built a team of professionals who are committed to client satisfaction and share the same passion for excellence. Inspired by Luxembourg's architectural landscape, LexField has shaped its own identity and reflects a balance between tradition and modernity with one single aim – to go the extra mile for your comfort.

Thanks to our coordination platform, our clients benefit from a global network of law firms and service providers as well as established local contacts and trusted business partners.

AREAS OF PRACTICE

PRIVATE EQUITY

We assist private equity houses, investors, sponsors, real estate developers, funds and family offices on all legal, regulatory and tax aspects of private equity (and real estate) matters. Our expertise spans over the entire lifecycle of private equity investments.

M&A

We counsel corporates, multinationals, private equity (real estate) houses, entrepreneurs and start-ups, operating in a variety of industry sectors, across the spectrum of corporate and M&A transactions.

PRIVATE WEALTH

We advise families, entrepreneurs and family offices on all aspects of wealth structuring from a corporate, real estate, civil, estate and tax law perspective.

INVESTMENT FUNDS

We guide asset managers, funds, management companies and promoters on how to structure and develop Luxembourg regulated and unregulated funds, as well as how to obtain regulatory approvals from the supervisory authority (CSSF).
