WOLF THEISS RECHTSANWALTE GMBH & CO KG

SCHUBERTRING 6, 1010 VIENNA

T: +43 1 515 10

THE FIRM

Wolf Theiss opened its first office in Vienna in 1957 and soon established a reputation as one of the region's leading law firms. The firm has since grown into a multinational team of approximately 340 lawyers, making it one of the largest integrated law firms in the region. It has offices* in Albania, Austria, Bosnia and Herzegovina, Bulgaria, Croatia, Czech Republic, Hungary, Poland, Romania, Serbia, Slovak Republic, Slovenia and Ukraine.

This presence on the ground is one of the firm's key strengths. It works in a fast-moving part of the world that requires deep local knowledge and experience. By combining expertise with a strong international network, the firm is well-placed to handle complex cross-border transactions with a high degree of speed and flexibility.

Apart from its local offices in 13 CEE/SEE countries, Wolf Theiss also offers extensive regional experience in other countries in the region, such as Kosovo, Montenegro and North Macedonia.

*As a technical aside, the firm has regulatory frameworks within which it needs to comply. So by 'presence', it is meant a legal form that is in compliance with all applicable laws and regulations in that country.

AREAS OF PRACTICE

Wolf Theiss' full range of services covers financial services, competition and antitrust, corporate/mergers and acquisitions, corporate investigations, employment law, energy and infrastructure, intellectual property and information technology, litigation and alternative dispute resolution, real estate and construction, regulatory and procurement, and tax. The firm's dedicated practice teams provide in-depth specialist knowledge in their respective areas and collaborate closely to provide clients with seamless advice.

AUSTRIA

This is where it all began in 1957. The team is now one of the most recognised names in Austrian law and has received numerous recognitions and accolades of its excellence over the past years. Most of the lawyers are multilingual and have practised abroad, so there's a real multinational character to the office. Wolf Theiss Vienna – led by the firm's managing partners Andrea Gritsch, Sebastian Oberzaucher, Claus Schneider and Richard Wolf – comprises 140 lawyers (including 40 partners).
