THE FIRM

The firm is known for its expertise in trademark and patent related prosecution and litigation, providing a full range of services for clients in every field of business from every geographic region of the world.

Since the establishment of the firm, the prosecution team has been organized and has developed steadily. And, with the tailored and workable system and the complete internal training strategy, the team is quick in giving feedback, efficient in completing tasks and stable in quality.

With the centralized managing system, the firm's litigation team can provide complete and economic solutions for its clients. It specialises within this field and has a self-established enforcement team which is well trained and provides great support in all litigation matters.

Therefore, under the centralized management, the three teams work together to make the firm a real one-stop IP service provider.

INTELLECTUAL PROPERTY: PRC FIRMS

Tier 3

An, Tian, Zhang & Partners has a solid IP practice, and often works alongside international law firms as PRC counsel to assist multinational companies with the global protection of their rights. Though active in all areas of IP, it is the firm's contentious work that stands out; recent highlights include representing Daimler in patent infringement proceedings. Practice head and managing partner David Tian is praised by clients for his '*excellent insight and client management*' and focuses on litigation related to patents, trademarks and unfair competition.
