## Detailed submission guidelines

---

Please provide a separate document for each practice area. For each practice area, please provide the following:

### Introductory bullet points

Brief bullet points introducing key points about your practice. For example, mention hires and departures, tell us what you are best known for, point out a very significant case or deal. Avoid lengthy paragraphs and avoid unsubstantiated claims

You may also identify other highlights, for example new client gains. Also useful are any hard facts that can be provided to put the practice in context; for example, for transactional practice areas, consideration will be given to the total number of deals handled and the aggregate deal value for the year

### Feedback on the 2022 edition

Do you agree with the ratings the practice received in the editorial and ranking of the 2022 edition? Law firms are encouraged to provide brief feedback, including advising as to a suggested ranking for the forthcoming edition, based on evidence. (Please bear in mind that firms are ranked alphabetically within tiers)

### Contact details

Please provide contact details for the person we should contact to arrange to follow up on the submission, ie contact name, position, email address and telephone number

### Leading individuals, next generation partners and rising stars

The rankings in The Legal 500 focus on the bench strength of the teams within law firms. Additionally, we rank lawyers in three categories – leading individual, next generation partners and rising stars. Please include deserving women and minority lawyers within your recommendations as diversity is very important to the Legal 500

To be ranked as a leading individual, we look for:

- At least five years as a partner
- Lead roles on multiple significant matters
- Widespread recognition by market peers

- Exceptional client endorsements

To be ranked as a next generation partner, we generally look for:

- Up to five years as a partner
- Lead roles on multiple matters
- Recognition by market peers
- Client endorsements

To be ranked as a rising star, we look for lawyers below partnership level who appear frequently on significant matters and are widely cited by peers and/or clients.

Please note, any lawyer mentioned within our editorial text for the firm is automatically 'recommended' by us. A 'ranked' lawyer is specifically a lawyer who has achieved a ranking in the Hall of Fame, Leading Individuals, Next Generation Partners or Rising Stars.

### Team information

---

Please avoid including extensive biographies. The information required here is as follows:

- Head of team (including job title, email address, and telephone number)
- Leading individuals in team – indicate areas of expertise
- Next generation partners – indicate length of legal practice and areas of expertise
- Rising stars – indicate position, length of legal practice and areas of expertise
- Significant recent arrivals and departures
- Partners who spend more than 50% of their time working in the practice area
- Number of other partners in the team
- Number of associates/assistants in team
- Include office location of all individuals named
- Please do not include the names of lawyers in other practices
- Please make sure you include deserving women and minority lawyers within the practice as contenders for individual rankings

### Referees (separate document)

## UNITED STATES EDITORIAL SUBMISSION GUIDELINES

both longstanding referees and more recent client gains. Some junior referees can be more responsive than senior figures. 20 referees per practice area is a good minimum guideline, if possible. You may provide as many referees as you wish – we will contact all referees that are submitted on time. We may contact late referees, but we reserve the right to contact them at a much later date (or not at all). If a late referee has already been submitted on time, we will not contact them again

**Referees MUST be provided by November 17 2022 in a separate document – please use the client referee template at:**

[legal500.com/the-legal-500-submission-information/united-states-submissions](https://legal500.com/the-legal-500-submission-information/united-states-submissions)

Please note, our referee emails come directly from your excel data – it will only work if you fill it in correctly. For more information about how to fill in the referee spreadsheets, please read the guideline document at [legal500.com/the-legal-500-submission-information/united-states-submissions](https://legal500.com/the-legal-500-submission-information/united-states-submissions)

#### Detailed work highlights

---

**(All work referred to should fall between December 2021 and November 2022)**

Please provide details of up to 20 transactions, cases or other work only. These should be matters which the firm considers to be significant and which indicate the team's range of recent expertise. Try to reflect the breadth of the law firm's experience, not simply the biggest mandates. In each instance, please identify the firm's role, indicate which partner(s) led the advice and mention start/end dates. Please identify the client. You are also encouraged to elaborate briefly in order to put each transaction/case in context, rather than simply listing the matter in question. At least one matter should be cleared for publication.

At least three matters should be cleared for publication. Please tell us what makes the matter – and your role – significant. If you would like us to publish three deals for you, you must fill in the matter highlight box.

The focus of the research is on recent work. If you think older work is significant – or would help us better to understand the practice – then please do mention it and explain why it is of interest

## UNITED STATES EDITORIAL SUBMISSION GUIDELINES

**Tip: If submitting in an area for the first time, it is recommended that you include several examples from the previous two years, as well as at least 10 new examples of work.**

### Active clients

---

Providing a list of active key clients is a quick way to convey much useful information. **Identify new clients and indicate length of longstanding client relationships**

### Want to suggest a new area to cover for 2024?

---

Contact us via [legal500.com/faqs](https://legal500.com/faqs) setting out the case, including the following information:

- the practice area/s you would like to see introduced
- the parameters of the practice area/s as you would see it
- the reasons why you feel these new sections are merited
- 4 or 5 highlights of this type of work which your law firm has handled in the past 12 months
- a list of other law firms which are also active in this practice area (usefully including relevant contact details, in case we wish to contact them for their view too)
